Re: In re Opana ER Antitrust Litigation, N.D. Ill., No. 14-cv-10150

Dear Judge Leinenweber:

I am writing in my capacity as co-CEO/CFO for North Carolina Mutual Wholesale Drug Co. (“Mutual Drug”), a pharmaceutical wholesaler based in Durham, North Carolina, in support of the pending motions seeking final approval of the proposed settlement and an attorneys’ fee award for Class Counsel in the above-captioned litigation.

Mutual Drug is a class member in the above-described case, and I understand that it will have a claim to recovery out of the Settlement Fund in this case. Class Counsel has informed Mutual Drug of the facts and circumstances of the case, including the timing of this settlement at the start of a three-week trial and the resulting jury verdict in favor of the non-settling defendants. Mutual Drug is satisfied that the proposed \$145 million settlement is fair and adequate and that the proposed attorneys’ fee award is appropriate in this complex case. In addition to the value of the \$145 million settlement achieved on behalf of the class, Mutual Drug believes that this award is justified by the time and expense that Class Counsel put into prosecuting and favorably resolving this complex litigation.

For these reasons, Mutual Drug asks the Court to approve the settlement and supports Class Counsel’s application for attorneys’ fees and reimbursement of costs.

Very truly yours,

Katie Zechman
