

Berger Montague PC is seeking talented litigators with 4-7 years of experience to join our premier antitrust team. At Berger Montague, we recognize the value of attorneys with a background in governmental antitrust enforcement, including at the Department of Justice Antitrust and Federal Trade Commission.

### **Why Join Berger Montague?**

- High-Impact Litigation – Work on complex, precedent-setting antitrust cases that shape industries and protect consumers.
- Collaborative, Accomplished Team – Join a firm of top-tier litigators with extensive experience in government and private enforcement.
- Career Growth & Development – Gain hands-on litigation experience, mentorship, and opportunities for advancement.
- Competitive Compensation & Benefits – We offer a highly competitive salary, excellent benefits, and a supportive firm culture.

### **Who Should Apply?**

- Attorneys with 4-7 years of experience litigating complex cases in a fast-paced environment.
- Attorneys with experience or interest in antitrust litigation.
- Candidates with strong research, writing, and advocacy skills eager to make a meaningful impact.

Please submit your resume, cover letter, and writing sample to [careers@bm.net](mailto:careers@bm.net). Please include "Experienced DOJ (or FTC) Associate."

Your dedication to justice and enforcement is needed—let's make an impact together.
